Public School Boards' Association of Alberta – Alberta Budget 2023 Release

March 1, 2023 (Edmonton, AB) – The Public School Boards' Association of Alberta (PSBAA) is pleased to see that the 2023 Budget has addressed some of our major concerns including: student transportation walk limits, educational assistant funding, enrolment growth increases and learning supports.

We are pleased to see that Public Schools will be receiving the majority of the allocated funding for new school construction, design and school planning projects. PSBAA is eager to review the full *2023 Funding Manual for School Authorities* in early March which will provide school boards with further details relevant to the Budget 2023 release.

We look forward to continuing our discussions regarding outstanding issues that are important to public schools and we appreciate our ongoing relationship with the Ministry of Education.

– Dennis MacNeil, President
