DIVERSITY
IS A
LESSON
PLAN
FOR LIFE™

WHAT IS “PUBLIC EDUCATION”?

- It welcomes and encourages all students to develop into responsible, caring and contributing citizens
- It inspires & grows Alberta’s future, one student at a time
- It acts as a working model of a civil society
- It helps to create, sustain and improve our communities

PUBLIC SCHOOL EDUCATION IS:

- Inclusive from the classroom to the boardroom to the voting station
- Respectful of every student, every worker and every citizen
- Best for students and for the community
- Barrier-free

OUR PUBLIC SCHOOLS:

- Guarantee every child will have a place in their school community
- Are governed by a democratic process, open to every member of the community regardless of religious convictions, racial origin and economic or other circumstances
- Celebrate diversity among students and in our communities by working with communities, staff and students from different backgrounds, outlooks and experiences

OUR MEMBERS WORK WITH ALBERTA’S COMMUNITIES & PARTNERS TO PROMOTE:

- Public Education as the heart of every community
- High standards for Alberta’s Public Schools because our Schools are a great place for students to discover, nurture and realize their dreams
- Grow support for Alberta’s Public Schools as a place where everyone is welcomed

FOR OUR MEMBERS, DIVERSITY MEANS
OPPORTUNITY, CHOICE & RESPECT.
